## Our Goals:

Our mission is to discover and develop emerging leaders among Georgia's high school students, equipping them with essential skills for college success and professional advancement. We provide ambitious young people with comprehensive communication training, digital presence development, and meaningful networking opportunities that extend well beyond graduation.

We create an engaging, forward-thinking environment where future leaders can develop their voices, build their personal brands, and forge lasting connections with peers and mentors. Our program bridges the gap between high school and higher education, ensuring students graduate with both the leadership abilities and practical communication tools needed to thrive in college and their future careers.

## Monthly Sessions Include:

- Portfolio Project
- LinkedIn Training
- Effective Communication
- Culture Training
- Strengths and Colors Training
- Financial Literacy
- College Career Readiness with SLJC Alumni Members
- Speakers about various career options
